MARGY'S
MONTE CARLO

The Swiss brand Margy's Monte Carlo produces a biomimetic cosmetics that is skin-friendly and compatible, so that the result of hydration, nourishment and rejuvenation is immediately visible after the treatment.

EXCLUSIVE TREATMENTS AT LUCEO SPA

Revelation the facial Margy's

30 000/ 35 000 RUB*

The program, inspired by deep stretching Pilates, combines intensive skin care and a special massage technique.

Consistent massage movements help to relieve accumulated tension, restore flexibility and tone to tissues, improve microcirculation and prepare the skin for the effects of active ingredients.

A new professional product of the brand is used in the ritual — the Refreshing Revelation face Mask. Its formula saturates the skin with active ingredients, supports recovery processes, helps strengthen the protective barrier and improve skin quality.

A special stage of the treatment is a massage with steamed guasha on top of a collagen mask. The technique combines smooth deep movements aimed at relaxing and working out the tissues, helps to reduce the signs of puffiness and emphasize the contours of the face.

As a result, the skin looks denser, smoother and firmer, acquires freshness and pronounced radiance. The face looks rested, and the features are clearer.

* The treatment is performed by a high category specialist Denis Kozhevnikov
